GROUP BY IsAgency
ORDER BY SortOrder;

```

Results

Build a table or provide a brief description of results and outcome below.

Data Point	Value
<i>Call Statistics</i>	
Incoming Emergency Calls	71,125
Incoming Non-Emergency Calls	163,464
Outgoing Calls	75,867
Total Calls	310,456
<i>Dispatched Event Statistics</i>	
Law Enforcement Dispatches	75,106
Fire Department Dispatches	9,696
Medical Dispatches	19,259
<i>Processing Statsitics</i>	
Percentage of Abandoned Calls	5.80%
Mean Processing Time in Minutes	1:51

Outcome Summary:

Analysis Information

Total call volumes include the abandoned calls recorded during Calendar Year 2025. The volumes are higher than those reported for Calendar Year 2024 while showing a reduction in the percentage of abandoned calls and a lower overall mean processing time. The abandonment rate is consistent with the figures supplied for the first half of the year. The mean overall processing time also decreased by 8 seconds or about 9% from the half-year statistics.

Follow-Up Required

Follow-Up Needed: X Yes | No

Due Date: 15 September 2027 **Reason:** CALEA Audit
